

## CFB PARTICIPATING CHURCH CONTRACT

*Don't just shop locally, shop with your church family!*

This contract is between Church Family Biz, LLC and \_\_\_\_\_  
(a participating church). We offer our service free to churches in the United States, and we are dedicated to helping your parish by giving back to your church in the form of a donation to your youth program.

In order for members to be listed on our online member directory, we need to have an agreement with their church. We need this agreement to make sure that we are providing accurate information for each online directory; we will need a designated person to help us validate each church member before we can list them.

Once a small business owner has joined our site, we will then call or email the church to make sure that the small business owner is a member of that church. This insures that our provided directory will be valid and provide accurate information.

### Our Promise:

- We will donate 10% of our proceeds annually back to each church that participates.
- We will provide a page for each church with an online directory and a downloadable PDF directory.
- We will provide a smartphone app that church members can download to easily access the directory.
- Your church's contact information and link to your website will be listed on the top of each page so that new members can find you.

### Your Promise:

- Your church will provide the photo of your church (if you want to) and contact information that you would like to appear on your church's directory page.
- Your church will provide a church contact phone number or email address to us so that we can validate membership of the small business owners before we list them on your church's directory page. *Our goal is to provide your church family with an accurate list of the business owners within their church family and the products and services they offer so that church members can support their church family if possible. For example: if they need a windshield replaced on their vehicle, they could call upon a member that does this service first, before choosing a random business.*
- Your church will use the donated money towards strengthening the foundation of your church by giving it to your youth program.
