This contract is between Church Family Biz, LLC and \_\_\_\_\_ (small business owner). We offer our service free to churches in the United States, and we are dedicated to helping your parish by giving back to your church in the form of a donation to your youth program.

In order for members to be listed on our online member directory, we need to have an agreement with their church. We need this agreement to make sure that we are providing accurate information for each online directory; we will need a designated person to help us validate each church member before we can list them.

Once a small business owner has joined our site, we will then call or email the church to verify that the small business owner is a member of that church. This insures that our provided directory will be valid and provide accurate information.

**Our Promise:**

- Affordable advertising for your business!
- We will donate 10% of our proceeds annually back to each church.
- We will add a listing of your business to your church's online Church Family Biz directory which will include your business Industry, Name of the business, Contact information, and a link to your website
- Your listing will be on your church's business directory page online and on our mobile app.

**Your Promise:**

- You will provide accurate information about your business
- You can choose to pay monthly (\$5.99), annually (\$60) or for 5 years (\$275). You will be billed via PayPal and can pay by debit card, credit card, or PayPal. *We do not offer refunds.*
- We are committed to your church's foundation and we will donate 10% of the proceeds back from membership dues. We can suggest that you do the same with the work you receive from the church members as this will give them more incentive to choose your business. *(that is up to you)*
